

**Embassy of India
Ashgabat**

PRESS RELEASE

The Embassy of India, Ashgabat, in association with the Chamber of Commerce and Industry of Turkmenistan, and Export Promotion Centre(EPC), Madurai, India organized a video-conference between Indian and Turkmen business entities on June 15, 2022. Around 70 business entities engaged in food, agriculture, textile and engineering sectors participated in the event which was held in the Chamber's premises.

The programme started with welcome address by Ms. Maral Sarygulowa, Head of International Cooperation, Chamber of Commerce who spoke about the vast potential for augmenting business ties between the two countries. This was followed by remarks from Ms. Kanishka Singh, Second Secretary who emphasised the importance of continuing the momentum of business interactions during the pandemic times. She also highlighted scope of food and agriculture sectors in contributing to India – Turkmenistan commercial ties. Mr. K. T. Rajan, Chairman of EPC also spoke on the occasion.

The programme continued with presentations by businessmen / companies during which both sides explored opportunities for export / import and business alliances, besides discussing on issues pertaining to logistics and regulatory aspects.

Representatives from Ministry of Trade and Foreign Economic Relations, Ministry of Textiles as well as Union of Industrialists and Entrepreneurs of Turkmenistan were also present during the video-conference.
