

India-Kuwait Bilateral Relations

India and Kuwait traditionally enjoy friendly relations, which are rooted in history and have stood the test of time. India has been a natural trading partner of Kuwait and until 1961, Indian Rupee was a legal tender in Kuwait. Till the discovery and development of oil, Kuwait's economy revolved around its fine harbour and maritime activities which included ship building, pearl diving, fishing and voyages to India on wooden dhows carrying dates, Arabian horses and pearls that were traded for wood, cereals, clothes and spices. The relationship was upgraded to a 'Strategic Partnership' during the visit of Prime Minister Shri Narendra Modi to Kuwait in 2024. The year 2026-27 marked 65th anniversary of establishment of diplomatic relations between two countries
