Hi Sir/Madam,

First thing is first, I am big admirer of Narendra Modiji, especially in the direction he is taking our country. One such instance is when he said - Funds meant for benefit of poor were slashed to bring Narmada to Kutch so use water judiciously - at the inauguration of the third pumping station on the Kutch branch of the Narmada canal network.

Our honorable Prime Minister has an impressive foreign policy and is tirelessly touring various countries since he assumed office. I tried to track the agreements India signed with the respective country but lost track after a while due to scattered and headlines focused media reports.

For instance, In the recent Germany visit, I just found the information that India made EIGHT agreements with Germany. I tried finding in which areas were these eight agreements but lost in the complicated web of scattered information.

I would request to kindly provide me the list of the agreements Indian Government signed with the respective countries with a brief overview and how this agreement would benefit India as a country/ any particular region in the country. Thanks in advance.

If I am filing this RTI with the wrong authority kindly forward it to the concerned authority
