Sir,

Please refer to your RTI application dated 2/4/2017 addressed to Ministry of Home Affairs which was transferred to RTI Cell, Ministry of External Affairs (MEA), New Delhi.

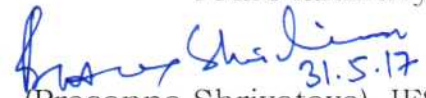

2. The information related to points no. 2 & 4 of your query is as follows:

India-China international boundary, which measures 3488 km, begins from the tri-junction point of India (in the State of Jammu & Kashmir), China and Afghanistan and extends up to the tri-junction point of India (in the State of Arunachal Pradesh), China and Myanmar.

India and China have agreed to each appoint a Special Representative (SR) to explore the framework for a boundary settlement from the political perspective of the overall bilateral relationship. There have been nineteen meetings of SRs so far, last one being in Beijing on 20-21 April, 2016. The two sides agree that peace and tranquility in the border areas is the basis for the continued expansion of India-China relations. The two sides are committed to seeking a fair, reasonable and mutually acceptable solution to the boundary question through dialogue and peaceful negotiations.
