## Press Release

Amb. Nagma M. Mallick inaugurated, jointly with HE Jerzy Muzyk, Deputy Mayor of Krakow, the new Engineering R&D Centre of reputed Indian company, L&T Technology Services Ltd, in Krakow on 25<sup>th</sup> May 2022.

This will be the company's first such Centre in central and eastern Europe and will provide design expertise to its clients across Europe with Polish and global engineering talent: they plan to hire upto 300 Polish engineers in the first couple of years of operation. In her remarks on the occasion, Amb. Mallick stated that L&T Tech Services would be a valuable addition to the many Indian companies that are generating employment, adding value and enhancing productivity in the Polish economy and strengthening the India-Poland partnership. She also acknowledged Poland's skilled, tech-savvy workforce and excellent educational and physical infrastructure that made possible this mutually-beneficial partnership.

Deputy Mayor Muzyk welcomed the Indian company, complimented Indian corporate achievements in engineering and ICT and resolved to make Krakow an even more welcoming destination for Indian investment.
