

Seminars on India at Córdoba University

Ambassador addressed the students and faculty members of Córdoba University in two different seminars on April 3, 2014.

The first seminar was on 'India Spain Commercial Relations and Business Opportunities in India' and was held in the Faculty of Business and Law of the University. Ambassador presented an overview of the economic scenario in India and highlighted the areas that had high potential for investments Spain in India and vice versa.

The second seminar was on 'Role of the English language in a multilingual society like India'. Ambassador presented the audience with the historical background for the arrival and consolidation of English in India, its role in the present day Indian socio-political and economic set-ups and also highlighted the influence of Indian languages on English.

As a part of the visit, Ambassador attended meetings with the Vice Chancellor of Córdoba University, the Dean of the Business School of the University and representatives of the Association for Interdisciplinary India Studies (AEEII). The proposed 'India Conference' of the AEEII and avenues to strengthen academic exchanges between Indian universities and the Córdoba University were discussed in the meetings.

From L to R: Second Secretary in the Indian Embassy, Mr Maitrey Kulkarni; Vice Chancellor of Córdoba University, Mr José Manuel Roldán; Ambassador of India, Mr Sunil Lal; Pro-Vice Chancellor of Córdoba University, Ms Carmen Galán and Director for International Relations, Mr Antonio Ruiz.
