Bilateral Cooperation & Assistance

- i. Following the first India Africa Forum Summit (IAFS-I) in 2008, Burundi was nominated by the AU to host the India-Africa Institute of Educational Planning and Administration (IAIEPA), one of the 5 institutes offered by India at the Pan-Africa level. The institute is mandated to strengthen the capacities in the region in the sector of education.
- ii. Under IAFS-I, India offered eight Vocational Training Centres (VTCs); one each to the eight RECs. Burundi was nominated as one of the countries to host the VTC. The centre was inaugurated in December 2016. It imparts vocational training to people from the region to enable them to be gainfully employed or become entrepreneurs.
- iii. A project to build and equip a centre for HIV/AIDS prevention, testing and treatment was completed in December 2012. The Centre provides various health-care services, covering reproductive health, sexually transmitted diseases, prenatal care and family planning.
- iv. At the second India-Africa Forum Summit (IAFS-II) in Government of India announced 40 biomass gasifier systems, out of which a cluster bio-mass gasifier system is to be established in Burundi. These are expected to provide low cost sustainable electricity in villages by powering a gas engine.
- v. At IAFS-II, India also offered, among other things, eight Farm Science Centres (FSCs). FSC is an innovative institution of the Indian Council of Agriculture Research (ICAR) which has played a pivotal role in application of technology at farm levels in India since 1974. Burundi has been selected by the East African Community for hosting one such FSC.
- vi. In addition to the above institutions, a tele-medicine centre and a tele-education centre were set up in Bujumbura in 2010 under the first phase of Pan-African E-Network Project. The project aims to provide quality and real-time medical care and education from India at a fraction of cost.
- vii. Government of India has extended a Line of Credit of US\$ 80 million for the 20MW Kabu hydro-electric project. In this regard, an agreement between the EXIM Bank of India and the Government of Burundi was signed in May, 2011. The project is expected to be completed by 2022.

Financial Aid/Assistance

- i. India has offered two Lines of Credit worth USD 161.36 Million to Burundi, i) for construction of a new Parliament building in Gitega [USD 102.27 million] and ii) construction of two Ministerial Buildings in Bujumbura [USD 59.09 million], Burundi. LOC agreements were signed on 2nd July 2019 between EXIM Bank of India and Burundian side.
- ii. India gifted medicines worth US \$ 1.1 million to Burundi in September 2019.
- iii. Gift of 100,000 NCERT text books was handed over to the Education Ministry of Burundi in March 2020.

Indian diaspora

Estimated no. of PIOs and NRIs in Burundi are 1200. Most of NRIs/PIOs are traders and businessmen and engineers/workers at the Kabu Hydro-electricity project. Their positive role in the country's economy is recognized and appreciated both by the Government of Burundi and its citizens. Govt.'s attitude towards Indian diaspora is positive and friendly. During the political crisis in 2015 in Burundi, the Burundian Government ensured that no harm came to any of our citizens/ PIOs resident there.
