India-Zambia Relations

Political:

The leaders of Zambian freedom struggle, such as Dr. Kenneth Kaunda, drew inspiration from the leaders of India’s freedom struggle, particularly Mahatma Gandhi. Gandhi continues to inspire and invoke admiration in Zambia and among its leaders, even the younger generation. The warm relations have continued into this century. Over these last several decades, India has come to be seen as a reliable partner and friend and is described by Zambian leaders as an “all weather and time-tested friend”. The relationship continues to be driven by mutual respect and is based in a spirit of partnership for mutual benefit.

**Development Cooperation:**

Over the years, India has provided extensive economic assistance to Zambia in the form of Government and EXIM Bank credits; railway wagons and flood relief grants and lines of credit besides fully paid scholarships for various higher education courses and ITEC training slots as well as specialized capacity building programmes under IAIFs. During President Mwanawasa’s visit to India in April 2003, India waived off the inter-governmental credit amounting to about $3mn. Zambia has also shown keen interest in utilizing LoC announced by GOI at the 3rd IAIF meeting in New Delhi in October 2015. Zambia has also been availing of ITEC slots and the specialized training programmes flowing from the IAIFS-III summit.

Construction of a 650 pre-fabricated rural health posts project under an Exim Bank LoC of US$68mn is currently underway in Zambia. 120 MW Itezhi Tezhi Hydropower Project (ITHP), a joint venture project of Zambia’s State Power utility ZESCO and TATA Power of India, was commissioned in March 2016. Pan-Africa E-network Project was completed at three sites in Zambia in 2009: **VVIP Centre for Video Conferencing at the State House, Lusaka; Patient End Location at the UTH, Lusaka; and, Learning Centre for tele-education at the Mulungushi University in Kabwe** was inaugurated on August 16, 2010. Lusaka Roads Decongestion Project, under Exim Bank’s buyer’s credit of US$ 285mn is currently being be executed by Afcons Infrastructure Limited of India [Shapoorji Paloonji Group].
Government of India has included Zambia in the second phase of its ongoing Cotton Technical Assistance Programme [CTAP].

Duty Free Tariff Preference Scheme (DFTP), designated as part of India’s commitment under the WTO Hong Kong Ministerial Declaration of 2005, came into effect in 2008. Zambia signed the Letter of Intent to utilize the scheme in May 2010 and in April 2012, it was notified as one of the beneficiaries of the scheme. As part of the Scheme, India is providing duty-free market access on about 96% of India’s tariff lines (at HS 6 digit level of classification) and 2.2% of the lines under preferential duties to LDCs.

**Bilateral Trade:**

Bilateral trade has been growing steadily but remains below potential due primarily to Zambia’s landlocked location, logistical difficulties and consequent costs of undertaking cross border trade. In recent years, there has been a renewed interest in India for trade and investment with Zambia but again logistics and the small size of the Zambian economy remain the main hurdles and limiting factors.

In 2015-16, two-way trade posted an increase of about 19% over the preceding year [US$649mn], crossing US$770mn with India’s exports valued at US$298mn and imports at US$475mn. In 2016-17, bilateral trade touched US$980mn with the balance of trade heavily skewed in favour of Zambia [India’s exports: $237mn and, Imports: $743mn]. During 2017-18, two-way trade was valued at about US$1388.29.29mn [India’s imports: $1094.98mn and exports $294.29mn]. In 2018-19, two way trade stood at US$ 829 million [Imports: $319 and, exports: $ 510].

India’s export items include drugs and pharmaceuticals, machinery and instruments, transportation equipment, cotton yarn and fabrics, plastic, rubber, chemicals, and electronic goods. India’s imports from Zambia include non-ferrous metals, ores (copper and cobalt), semi-precious stones and raw cotton.

**India’s investments:**

Zambia, with its rich natural resources, has become an important destination for Indian investments particularly in the mining sector. With an investment of over US$5bn, India is one of the leading investors in Zambia. India’s Investments in Zambia include Indo-Zambia Bank which was established in 1984, as a joint venture between GoZ and three Indian public sector banks i.e. Bank of India, Bank of Baroda and Central Bank of India. The three Indian PSUs hold 60% equity with the remaining 40% held by the Zambian government. The IZB operates the largest network of banks and a cornerstone of Zambia’s banking sector. It has become a byword for banking in the country. It is a milestone in India’s relations with Zambia and is an example of a mutually beneficial, solid joint venture partnerships that has withstood the test of time. Some other noteworthy investments are:

- Exim Bank of India had a 34% share in Development Bank of Zambia. At the end of 2012, its equity stood at 2.4%.

Nava Bharat invested US$108 million in the recapitalization of Mamba Collieries and the installation of the new coal handling and washing plant. Nava Bharat also developed a coal fired power plant of a minimum generating capacity of 270 megawatts using the low-grade coal of Mamba Collieries.

- Taurian Manganese Ltd, part of Dharni Sampada Pvt. Ltd, invested about US$20 million in 2010 in manganese mining and plans to invest another US$200 million in construction of a manganese processing plant in Serenje district in Central Province. It will be one of the biggest manganese processing plants in Africa.

- Bharti Airtel launched its new brand, Airtel Zambia, in November 2010 and is now among the leading mobile service provider in Zambia.

- Investments by TATA include a five-star hotel the Taj Pamodzi, managed by the Taj Hotels group; a joint venture between Zambia Electricity Supply Company (ZESCO) and TATA Africa Holdings called “Itezhi Tezhi Power Corporation Limited” (ITPC). The ITPC is undertaking construction of the Itezhi-Tezhi ($200 million) power project. GoI has provided an LOC of US$50 million (US$29 mn utilised) to Government of Zambia for this power project.

- In July 2015, Mylon Laboratories Limited of India signed a 40-year land lease agreement to construct a state of the art oral solid dosage pharmaceutical facility at a cost of US$4mn in the Lusaka South Multi Facility Economic Zone in the next three years. The facility was inaugurated by Health Minister of Zambia in September 2018.

- Some other companies set-up by Indian origin are: Neelkantha Group of Companies; PLR Projects and Parrogate – Continental Ginnery Limited. In addition, scores of medium size Indian companies have made sizeable investment in various fields of the Zambian economy and trade.

**Indian Community/PIOs:** Zambia has a large and vibrant Indian community many of them had settled down in Zambia decades ago. There are about 25,000 Indians/PIOs in Zambia and some have taken up Zambian nationality and/or British nationality. Majority of Indians/PIOs are from Gujarat State. Zambians of Indian origin play a significant role in Zambia’s economy, especially in trade, industry, hospitality and transport sectors. Indians have held public offices and have occupied government positions. During the Movement for Multi-Party (MMD) government, Dipak K. A. Patel and Suresh Desai held cabinet-level positions. In March 2019, Ms. Abha Patel was appointed a Judge in High Court of Zambia, a first for an Indian national in Zambia.
