Agreements/MOUs:

The following bilateral Agreements/MOUs exist between India and CAR:

- MOU for setting up an IT Centre for Excellence in Bangui signed in March, 2010.
- Foreign Office Consultation signed on September 3, 2010.
• MOU for setting up two learning stations under the Hole-in-Wall Computer Education project signed on September 3, 2010.

**Foreign Office Consultations:**

The first Foreign Office Consultations between two Ministries of Foreign Affairs were held in capital Bangui on January 17, 2011. Issues of bilateral interest and ways to expand trade, investment and technical cooperation between the two countries were discussed. The Indian side was led by Shri Rajinder Bhagat, Joint Secretary (WA), MEA while the CAR delegation was led by H.E. General Antoine Gambi, Foreign Minister.

**India’s Economic Assistance to CAR:**

**Lines of Credit:** The Government of India has approved the following Lines of Credit to the CAR:

- LOC project of US$ 29.5 million for construction and commissioning of a 400 MT/day cement plant in Bangui was nearing completion when all the Indian workers had to be evacuated in early 2014 due to security situation in CAR. Team of Jaguar Overseas Ltd. and Exim Bank visited CAR in August 2016 to assess the damage to the plant by rebels and to explore the way to re-start the work. The report from Jaguar Overseas is awaited.
- US$ 5.5 million for supply of 100 buses, spare parts and construction of a workshop for the buses. The buses have already been supplied, however they have been damaged during civil unrest in CAR and only two buses are running now. The workshop for these buses had been completed and handed over. However, the workshop was destroyed by the rebels.
- The work on LOCs for US$ 20 million for Limestone mining for the Cement plant in Bangui was not completed by M/s Jaguar Overseas Ltd., the Indian contractor executing the project, as the team had to leave Bangui due to insecurity because of political instability. The way to restart the work again is under process.
- LOCs for US$ 39.69 million for two hydroelectric projects have been signed with Government of CAR. The LOCs have been on hold and will be taken up after completion of cement Plant.

**Donations and Grants:**

Two learning stations under the Hole-in-Wall Computer Education were set up and inaugurated on **31st August, 2011**.

The Pan African e-network project was implemented in CAR. Tele-education, Telemedicine and VVIP connectivity had been set up in Bangui.
**Capacity Building Programme:**

23 slots under ITEC programme were utilised during 2010-16. 1 slot of IAFS was also utilized in 2012-13. 4CAR women availed of ITEC training in solar electrification and rooftop water harvesting course at Barefoot College, Rajasthan during 2014-15. 10 slots under ITEC programme and 4 ICCR scholarships have been allocated for 2017-18.

**Trade and Commercial Relations:**

Trade between the two countries is miniscule due to the long history of political and security unrest in the CAR. CAR has huge natural resources such as diamond, gold, uranium, timber, oil and hydropower and there is a lot of potential for bilateral cooperation.

Bilateral trade figures are given below:
