
Brief on India-Canada Bilateral Relations

India-Canada bilateral ties are underlined by shared democratic values, a steadfast commitment to the rule of law, and vibrant people-to-people ties.

Recent bilateral exchanges:

2. Hon'ble Prime Minister of India and PM Carney met on the sidelines of the G7 Summit in Evian, France on 16 June 2026. This was their fourth meeting in the last one year. The two PMs reviewed progress in bilateral economic cooperation, including developments in commercial arrangements relating to LNG, LPG and metallurgical coal. They welcomed the ongoing momentum in the exchange of high-level visits and institutional engagements between the two countries and expressed satisfaction with the progress in Comprehensive Economic Partnership Agreement (CEPA) negotiations. They looked forward to forthcoming dialogues in the areas of defence, finance and migration. The two Prime Ministers agreed to launch negotiations on a General Security of Information Agreement. They also noted the ongoing collaboration under the Canada-India Talent and Innovation Strategy and announced the establishment of Raisina Americas as a platform to further strengthen dialogue, exchanges and cooperation. Hon'ble PM expressed India's support for Canada becoming a Dialogue Partner of the Indian Ocean Rim Association. He also thanked PM Carney for the invitation to visit Canada in 2026, dates for which would be worked out through diplomatic channels.

3. At the invitation of Hon'ble Prime Minister of India, Right Honourable Mark Carney, Prime Minister of Canada, accompanied by a high-level delegation that included senior ministers, provincial leaders and leading CEOs, paid an official visit to India from February 27-March 2, 2026. This was PM Carney's first visit to India after taking over as the PM of Canada and was the first bilateral visit to India by a Canadian Prime Minister since 2018. During the visit, the leaders agreed to adopt the principle of "Vasudhaiva Kutumbakam" or "One Earth, One Family, One Future" as the overarching guiding framework for the renewed India-Canada Strategic Partnership. They also underscored the alignment between India's vision of Viksit Bharat and Canada's Build Canada Strong agenda.

4. During the visit, the leaders welcomed the conclusion of a CAD \$2.6 billion commercial agreement between M/s Cameco and the Department of Atomic Energy for the long-term supply of uranium as well as the signing of the Terms of Reference of India-Canada CEPA by Hon'ble Minister of Commerce & Industry Shri Piyush Goyal and Canadian Minister of International Trade. Other MoUs signed during the visit included - MoU between All India Council for Technical Education (AICTE) and Mitacs, Canada for Globalink Research Internships; MoU on Critical Minerals Cooperation; MoU on promoting the use of Renewable Energy and MoU on Cultural Cooperation. Announcements made during the visit included Canada's intention to join Global Biofuels Alliance and International Solar Alliance; establishment of a Canada-India Pulse Protein Centre of Excellence at NIFTEM Kundli; establishment of an India-Canada Defence Dialogue; establishment of India-Canada Parliament Friendship Group and launch of a new Canada-India Joint Talent and Innovation Strategy by Universities Canada. India welcomed Canada's interest in joining the Indian

Ocean Rim Association (IORA) as a Dialogue Partner. PM Carney also extended an invitation to Hon'ble Prime Minister of India to visit Canada.

5. Hon'ble PM of India and PM Mark Carney had met on the sidelines of the G-20 Leaders' Summit in Johannesburg on 23 November, 2025 to review progress in the India–Canada partnership. The two leaders welcomed the adoption of Australia-Canada-India Technology and Innovation (ACITI) Partnership on 22 November, 2025. The leaders discussed expanding cooperation across trade and investment, defence, education, space, science and technology, and energy. PM Carney supported India's plan to host the AI Summit in February 2026. The leaders agreed to launch negotiations on CEPA to double bilateral trade to USD 50 billion by 2030. They reaffirmed civil nuclear cooperation including potential long-term uranium supply arrangements.

6. Hon'ble PM of India visited Calgary from 16-17 June, 2025 and took part in the session for outreach countries on 'Energy Security : diversification, technology and infrastructure to ensure access and affordability in a changing world' at the G7 Leaders' Summit in Kananaskis on 17 June, 2025. On the sidelines of the G7 Summit, Hon'ble PM held a bilateral meeting with PM Mark Carney. This was the first in-person interaction between the two leaders since Prime Minister Mark Carney assumed office following Canada's federal elections in April 2025. During their interaction, both sides agreed to take calibrated and constructive steps to restore stability in the relationship, beginning with the early return of High Commissioners to each other's capitals (completed in September, 2025). The two leaders also underscored the importance of restarting senior ministerial and working level engagements to rebuild trust and bring momentum to the relationship and discussed opportunities for future collaboration in areas such as digital transformation, artificial intelligence, LNG, food security, critical minerals etc. They also discussed restarting the stalled negotiations on Early Progress Trade Agreement (EPTA), with a view to paving the way for a CEPA. They underlined the deep people-to-people connections between the two countries and agreed to leverage this living bridge to the benefit of both countries.

7. Other high-level exchanges since October 2025 are at **Annexure**.

Bilateral Mechanisms

8. Both sides have official-level dialogue mechanisms such as Ministerial level- Strategic, Trade and Energy dialogues; Foreign Office Consultations; Joint Committee Meeting on Environment and other sector specific joint working groups (JWGs). Recent meetings held under bilateral mechanisms between India and Canada are as follows

- **NSA level dialogue :** Then Canadian National Security & Intelligence Advisor (NSIA) Ms. Nathalie Drouin met NSA Shri Ajit Doval, KC in New Delhi on 18 September, 2025. Subsequently, NSA visited Canada from 6-8 February, 2026 and met the then Canadian NSIA Ms. Nathalie Drouin on 07 February 2026. The visit was part of regular bilateral security dialogue between the two sides.
- **Pre-Foreign Office Consultations :** On 19 September 2025, on the sidelines of the visit of then Canadian NSIA to New Delhi, India and Canada held pre-Foreign Office Consultations(FOC) in New Delhi. From the Indian side Mr. P. Kumaran, then Secretary(East) led the consultations while then Deputy Foreign Minister Mr. David Morrison led the consultations from the Indian sides. During the visit, then DFM Morrison also met Foreign Secretary Sh. Vikram Misri.

- **7th edition of the Ministerial Dialogue on Trade and Investment (MDTI)** - At the invitation of Minister for Commerce and Industry Shri Piyush Goyal, Canada's Minister of Export Promotion, International Trade and Economic Development Mr. Maninder Sidhu, visited India from 11-14 November 2025. During the visit, the two Ministers held the 7th edition of MDTI.
- **2nd JCM on Environment** - Ministry of Environment, Forest and Climate Change, Government of India and Department of Environment of Climate Change Canada held the 2nd Joint Committee Meeting on Environment in New Delhi on 30 January, 2026.
- **JCM on Agricultural Cooperation** - The Joint Working Group meeting on agricultural cooperation was held virtually on 25 February 2026.
- **3rd Consular Dialogue** - The 3rd India-Canada Consular Dialogue was held in Ottawa on 26-27 May 2026. Both sides exchanged views on a wide range of consular issues, including visa & immigration procedures, legal and extradition matters, protection of citizens, and cooperation in addressing consular cases.
- **8th JSTCC** - The 8th India-Canada Joint Science and Technology Cooperation Committee (JSTCC) Meeting was held at Technology Bhavan, New Delhi, on 29 May 2026.

Security Cooperation

9. There is engagement on counter terrorism issues particularly through the framework of the Joint Working Group (JWG) on Counter Terrorism set up in 1997. The security cooperation was further enhanced with the Framework for Cooperation between India and Canada on Countering Terrorism and Violent Extremism signed in February, 2018.

Defence

10. During PM Carney's visit to India, the two sides discussed the value of expanding practical military cooperation and welcomed opportunities to deepen defence relations through cooperative activities, joint training opportunities, and professional military exchanges. A new Maritime Security Partnership in areas such as Defence Material Cooperation, Supply Chain Resilience, and Training and Exercises was welcomed. Both countries also agreed to institutionalizing an India-Canada Defence Dialogue which will exchange views on respective defence policies, regional and global security developments, and strategic outlooks in order to identify opportunities for greater defence collaboration. In this context, both sides welcomed Canada's appointment of a Defence Attaché to India and India's concurrent accreditation of its Defence Attaché in Washington D.C. to Canada as important steps toward strengthening institutional linkages.

11. A 16-member delegation from the National Defence College of India visited Canada from 1-5 June, 2026 as part of their Foreign Countries Study Tour. The visit provided renewed impetus to the growing India-Canada defence partnership and enhanced mutual understanding on strategic and security issues.

Trade & Investment

12. The trade and investment linkages between India and Canada form an integral component of the multi-faceted partnership between the two countries. India's exports to Canada in 2025 were worth CAD 9.68 billion and imports from Canada were CAD 3.87 billion. Total bilateral trade in goods between India and Canada was worth CAD 13.55 billion in 2025. In 2025, India's bilateral services trade with Canada stood at CAD 19.62 billion, with India's exports worth CAD 4.45 billion and India's imports worth CAD 15.17 billion.

13. Portfolio investments from Canada into India are estimated at more than CAD 100 billion, underscoring the interest in India as a favourable investment destination. More than 600 Canadian companies have a presence in India and more than 1,000 companies are actively pursuing business in the Indian market. Indian companies in Canada are active in various sectors, including IT (Information Technology), banking, pulp and fiber, natural resources, health science and financial services, among others.

14. Major items of India's exports to Canada include pharmaceutical products, machinery parts & mechanical appliances, iron & steel articles, electronic goods, organic chemicals, jewelry, gems & precious stones, clothing & textile articles, seafood, engineering goods and auto parts. India's major imports from Canada include pulses, fertilizers (potash), mineral fuels, wood pulp, gems & precious stones (diamonds), aircraft parts, machinery parts, paper & paperboard and iron & aluminum scrap.

15. On 1 March 2026, Hon'ble CIM met Minister Sidhu in New Delhi on the sidelines of Canadian PM Carney's visit to India. On 2 March 2026, the Terms of Reference (ToR) for the India-Canada CEPA were signed by Hon'ble CIM Piyush Goyal and Minister Sidhu and were exchanged in the presence of the Prime Ministers of India and Canada in New Delhi.

16. Hon'ble CIM Piyush Goyal visited Canada from 25-28 May 2026 and held discussions with Honourable Maninder Sidhu, Minister of International Trade of Canada, on strengthening bilateral trade and investment relations. During the visit, the two Ministers launched the India-Canada Trade and Investment Forum as a platform to foster greater business engagement and commercial partnerships between the two countries. The Ministers reaffirmed their commitment to advancing an ambitious and mutually beneficial India-Canada CEPA and expressed their shared objective of concluding negotiations by the end of 2026. They also identified opportunities to deepen cooperation in clean energy, critical minerals, agri-food, advanced manufacturing, digital technologies and skills development, while emphasizing the importance of expanding market access, strengthening resilient supply chains, enhancing business mobility and promoting greater two-way investment and economic growth.

Energy Cooperation

17. In January 2026, Minister of Energy and Natural Resources of Canada Mr. Tim Hodgson, visited India to participate in India Energy Week 2026 held in Goa, India. On the margins of the conference, Minister Hodgson held a bilateral meeting with Hon'ble Minister of Petroleum and Natural Gas of India Shri Hardeep Singh Puri, where they launched the renewed India-Canada Ministerial Energy Dialogue.

18. During PM Carney's meeting with Hon'ble PM of India in New Delhi in March 2026, the leaders underscored facilitating the expansion of bilateral energy trade across key sectors, including liquefied natural gas (LNG), liquefied petroleum gas (LPG), crude oil, refined petroleum products, potash and uranium supply offtakes. The leaders acknowledged the significant potential to expand bilateral energy trade, including increased imports of oil and LNG by India from Canada and the supply of refined petroleum products from India to Canada.

19. In March 2026, India and Canada signed a Memorandum of Understanding (MoU) on Clean Energy Cooperation, establishing a comprehensive institutional framework to advance bilateral collaboration across solar, wind, bioenergy, small hydro, energy storage and capacity-building. The MoU aims to foster a mutually beneficial clean energy partnership.

20. In March 2026, India welcomed Canada's intention to pursue membership in the International Solar Alliance (ISA), noting that Canada's participation would enhance international cooperation in solar deployment, innovation and capacity-building, particularly in developing and climate-vulnerable regions. India also welcomed Canada's signing of the foundational documents to upgrade its participation in the Global Biofuels Alliance as a Full Member.

Critical Minerals Cooperation

21. During PM Carney's visit to India in March 2026, India and Canada signed a Memorandum of Understanding (MoU) on Critical Minerals Cooperation, reflecting a shared commitment to building resilient, secure, and diversified critical minerals supply chains. India also endorsed the G7 Critical Minerals Action Plan, which promotes diversified and responsible production and supply of critical minerals and encourages investment and innovation across value chains essential for clean energy, advanced manufacturing, and technology. Both sides agreed to deepen cooperation on critical minerals and energy transition pathways.

Science & Technology

22. Secretary, Department of Science and Technology, Government of India led a delegation to Ottawa for the 7th India-Canada Joint Science and Technology Cooperation Committee (JSTCC), which he co-chaired with Deputy Minister of International Trade at Global Affairs Canada in May 2022. On the sidelines of the JSTCC, an MoU on Cooperation in industrial research, Development & Innovation, between DST and the National Research Council of Canada (NRC) was signed.

23. The 8th India-Canada Joint Science and Technology Cooperation Committee (JSTCC) Meeting was held at Technology Bhavan, New Delhi, on 29 May 2026. The meeting reviewed ongoing bilateral cooperation in science, technology and innovation and explored opportunities for expanding collaboration in emerging and strategic technologies. During the meeting, both sides signed an Implementation Arrangement (IA) in Science and Technology, establishing a framework for research cooperation in priority areas including artificial intelligence, green hydrogen, microelectronics, critical minerals, biofuels, climate-resilient agriculture and marine and space research. The IA provides a structured mechanism for supporting collaborative research initiatives, facilitating scientific exchanges and expert interactions, organizing joint workshops and seminars, and enabling targeted funding opportunities to strengthen institutional linkages and innovation partnerships between the two countries.

24. Department of Earth Science, Government of India and Polar Canada started a programme for exchange of knowledge and scientific research on Cold Climate (Arctic) Studies. A Memorandum of Cooperation between NCPOR and POLAR Canada was signed in February 2020.

25. Following the meeting of the AI Ministers of the three countries on the margins of the AI Summit in New Delhi in February 2026, India, Canada, and Australia signed a trilateral Memorandum of Understanding (MoU) on Cooperation in Technology and Innovation. The three countries also agreed to develop a joint work plan to advance practical trilateral cooperation in artificial intelligence and digital technologies, focusing on areas including digital infrastructure, semiconductor and electronics manufacturing, high-performance computing, Internet-of-Things (IoT), cybersecurity and startup ecosystems, among others.

Space

26. During PM Carney's visit to India in March 2026, the two sides discussed the urgency and mutual benefits of strengthening a strategic partnership in space cooperation between their respective space agencies and private sectors. This collaboration is to be guided by an ambitious Implementation Arrangement under the existing MoU, aimed at operationalizing joint projects and facilitating technical cooperation in new and emerging domains.

Artificial Intelligence

27. Following the meeting of the AI Ministers of the three countries on the margins of the AI Summit in New Delhi in February 2026, India, Canada, and Australia signed a trilateral MoU on Cooperation in Technology and Innovation on the sidelines of G20 Summit in Johannesburg in November, 2026. The countries agreed to develop a joint work plan to advance practical trilateral cooperation in AI and digital technologies. During PM Carney's visit to India in March 2026, India and Canada agreed to explore joint initiatives to integrate AI into space and aerospace technologies, while also collaborating on AI-assisted tools to strengthen the diagnostic capabilities for delivering reliable healthcare in remote regions.

Education

28. Indian students represent the largest group of international students in Canada, with an estimated 3,92,810 Indian students are studying in Canada as on 31st December, 2024. The MoU on Higher Education (2010) with Canada was renewed in February 2018. Under this MoU, there is a Joint Working Group that oversees the implementation of the MoU. During PM Carney's visit to India (Feb 27–Mar 2, 2026), both sides agreed to deepen partnerships between universities through joint and dual-degree programs, industry-aligned skills training, the establishment of offshore campuses in India, enhanced research collaboration in emerging technologies, and the revitalization of the JWG on Higher Education. During the visit, the Canada-India Talent and Innovation Strategy was launched to support academic mobility, innovation, and research collaboration and announcements were also made for new scholarships and signing of several MoUs and agreements among universities and institutions.

Consular Matters

29. Both sides agreed to address consular issues of mutual concern through discussion during the then Canadian Prime Minister's visit to India in 2018. The India-Canada Consular Dialogue has been instituted under this (last meeting held in Ottawa from 26-27 May, 2026). The two countries have signed a Mutual Legal Assistance Treaty in 1994 (operationalised in 1998) and an Extradition Treaty in 1987.

People-to-People and Cultural Relations

30. With more than 1.8 million Indo-Canadians and estimated 1 million non-resident Indians, Canada hosts one of the largest Indian Diaspora abroad. The diaspora has contributed significantly to the Canadian economy & society. During PM Carney's visit to India (February 27–March 2, 2026), Ministry of Culture of India and Canada's Department of Canadian Heritage signed an MoU to deepen people-to-people ties through expanded collaboration in the arts, heritage, audiovisual media, music and creative industries. India and Canada have also signed Audiovisual Co-Production Agreement. and English. A delegation of indigenous artists from Canada took part in the Bharat Tribal Festival (BTF) 2026 held in New Delhi in 18-30 March, 2026. ICCR chairs have been established at the following Universities :- McGill, Alberta, SFU, Calgary and Guelph.

Annexure

Other high-level exchanges since October 2025

- Hon'ble EAM Dr. S. Jaishankar and Canadian Foreign Minister Anita Anand have met 7 times since October 2025.

At the invitation of Hon'ble EAM, FM Anita Anand, undertook an official visit to India from 12-14 Oct 2025. During the visit, an India-Canada Joint Statement: Renewing momentum towards a stronger partnership was released on 13 Oct, 2025 announcing the New Roadmap for bilateral engagement. FM Anand also called on Hon'ble PM Modi during the visit. Thereafter, at the invitation of Canadian FM Anita Anand, Hon'ble EAM visited Niagara Region, Canada from 11-12 Nov 2025 and participated in the G7 Foreign Ministers' Meeting with Outreach Partners. Hon'ble EAM and FM Anita Anand also met on 1 Mar, 2026 on the sidelines of PM Carney's visit to India. On 2 Mar, 2026, Hon'ble EAM Dr. S. Jaishankar called on Canadian Prime Minister Mark Carney during his visit to New Delhi.

Besides above meetings and two telephonic conversations on 25 May, 2025 and 20 Mar, 2026, the two Ministers also met on the sidelines of multilateral meetings/events including G20 in Johannesburg (Nov, 2025), Critical Minerals Ministerial in Washington (Feb 2026), Munich Security Conference in Germany (Feb 2026) and G7 Foreign Ministers' Meeting in France (Mar 2026).

- NSA Shri Ajit Doval, KC visited Canada from 6-8 Feb, 2026 and met then Canadian NSIA Nathalie Drouin on 7 Feb 2026. The visit was part of regular bilateral security dialogue between the two sides.

- On October 11, 2025 Hon'ble Minister of Commerce and Industry (CIM) Shri Piyush Goyal had a telephonic conversation with Canadian Minister for International Trade Maninder Sidhu. Thereafter, at the invitation of Hon'ble CIM, Minister Sidhu undertook an official visit to India from 11-15 Nov, 2025. The two Ministers also met virtually on 3 Dec, 2025 and 24 Feb, 2026. On 1 Mar 2026, Hon'ble CIM met Minister Sidhu in New Delhi on the sidelines of Canadian PM Carney's visit to India. The ToR for the India-Canada CEPA signed by the two Ministers on 2 March, 2026 were exchanged in the presence of Prime Ministers of the two countries.

Subsequently, on 27 Mar 2026, the two Ministers met on the sidelines of the WTO 14th Ministerial Conference (MC14) at Yaoundé, Cameroon. Hon'ble CIM visited Canada from 25-28 May 2026 and held discussions with Minister Sidhu on strengthening bilateral trade and investment relations. During the visit, the two Ministers launched the India-Canada Trade and Investment Forum and reaffirmed their commitment to advancing an India-Canada CEPA with their shared objective of concluding negotiations by the end of 2026.

- Ontario Economic Development, Job Creation and Trade Minister Victor Fedeli led a trade and investment mission to New Delhi, Mumbai and Bengaluru from 23-28 Nov 2025. Minister Fedeli also visited India from 16-21 Feb, 2026 to participate in the AI Impact Summit.

- Premier of British Columbia, David Eby, accompanied by Minister of Jobs and Economic Growth Ravi Kahlon, led a trade and investment mission to India from 12-17 Jan 2026.

- Honourable Speaker of House of Commons of Canada Mr. Francis Scarpaleggia visited India to attend the 28th CSPOC in New Delhi from 14-16 Jan, 2026. On the sidelines of the 28th CSPOC, the Hon'ble Speakers of India and Canada met on 14 January, 2026.

- Canadian Minister of Energy and Natural Resources Mr. Timothy Hodgson visited India from 27-30 Jan, 2026 while Alberta Minister of Indigenous Relations Ms. Rajan Sawhney and Parliamentary Secretary for Economic Corridor Development, Legislative Assembly of Alberta Mr. Shane Getson visited India from

19 Jan-5 Feb, 2026. During their visits, the three dignitaries participated at the Indian Energy Week 2026 held at Goa. Minister Hodgson held bilateral meeting with Hon'ble Minister of Petroleum & Natural Gas Shri Hardeep Puri wherein the two Ministers launched the renewed Canada-India Ministerial Energy Dialogue. He also met Hon'ble Minister of Heavy Industries Shri H.D. Kumaraswamy, Hon'ble CIM Shri Piyush Goyal, Hon'ble Minister of Consumer Affairs Shri Pralhad Joshi and Hon'ble Minister of Health & Family Welfare Shri J.P. Nadda.

- At the invitation of Hon'ble Minister of Electronics and Information Technology Shri Ashwini Vaishnaw, the Canadian Minister of Artificial Intelligence and Digital Innovation Mr. Evan Solomon visited India to attend the AI Impact Summit, held in New Delhi on 19–20 Feb 2026. On the sidelines of the Summit, AI Ministers of India, Canada and Australia met on 19 Feb, 2026 and reiterated their commitment to continued trilateral collaboration on AI, following announcement of the ACITI Partnership at the G20 in Nov 2025.

- On 1 March 2026, Hon'ble Minister of Finance and Corporate Affairs Smt. Nirmala Sitharaman met with Canadian Minister of Finance Mr. François-Philippe Champagne.

- Premier of Saskatchewan Mr. Scott Moe and Premier of New Brunswick Ms. Susan Holt accompanied Canadian PM Carney on his official visit to India while leading parallel trade missions from their provinces from 28 Feb-6 Mar 2026 and 26 Feb-1 Mar 2026 respectively. On 1 March, 2026, Hon'ble CM of Maharashtra Shri Devendra Fadnavis met Canadian Finance Minister Champagne, Saskatchewan Premier and New Brunswick Premier on the sidelines of the 'Maharashtra-Canada: Building the next phase of Investment & Innovation' event in Mumbai.

- On the margins of 70th Session of the Commission on the Status of Women at the UN Headquarters in New York, Hon'ble Minister of State for Women and Child Development Smt. Savitri Thakur met Canadian Minister for Women and Gender Equality, Ms. Rechie Valdez on 10 March, 2026.

- On the sidelines of the Commonwealth Foreign Affairs Ministers' Meeting held in London, Hon'ble Minister of State for External Affairs Shri Kirti Vardhan Singh met Parliamentary Secretary to Canadian Minister of Foreign Affairs Mr. Rob Oliphant on 9 March, 2026.

- Former Canadian PM Mr. Stephen Harper, Premier of Saskatchewan Mr. Scott Moe and Regional Representative of the Chief of Defence Staff of Canada Lt. Gen. Derek A. Macaulay participated in the 11th Raisina Dialogue in New Delhi from 5-7 March, 2026. President & CEO of Canada-India Business Council Mr. Victor Thomas and President & CEO of Asia Pacific Foundation of Canada Mr. Jeff Nankivell also attended the Dialogue.

- On 9 May, 2026, Hon'ble Minister of State for External Affairs Shri Kirti Vardhan Singh met Ms. Lena Metlege Diab, Minister of Immigration, Refugees and Citizenship of Canada on the sidelines of the International Migration Review Forum held in New York from 5-8 May 2026.

- Hon'ble Speaker of Meghalaya Legislative Assembly Shri Thomas A. Sangma led the visit of a five-member delegation to Canada to participate in the 16th Commonwealth Parliamentary Seminar held in Ottawa from 25-29 May 2026.

- On the sidelines of the Shangri La Dialogue 2026, Defence Secretary Shri Rajesh Kumar Singh met Sr. Associate Deputy Minister of National Defence of Canada Mr. Kelvin Brousseau on 29 May, 2026.

- A 16-member delegation from the National Defence College of India visited Canada from 1-5 June, 2026 as part of their Foreign Countries Study Tour.

As on 22nd July, 2026
