

Network for global Indians

Who we are?

Overseas Indian Facilitation Centre (OIFC) is a not-for-profit Trust set-up by the Ministry of Overseas Indian Affairs (MOIA) in 2007, in partnership with India's apex industry association Confederation of Indian Industry (CII), to promote economic & knowledge engagement of Indian Diaspora with India.

Backed by a strong network of State Governments & domain experts as its partners, OIFC is the first point of contact for business and investment related information for Overseas Indians.

Powered by its website www.oifc.in, OIFC brings to you updates on Indian Government's policies, articles by experts, webinars on topics of interest to Indian Diaspora, projection of investment opportunities in States and sectors, information on Investment Meets in India.

OIFC is governed by a Council of prominent Overseas Indians, senior policy makers from Government and industry leaders

What we do?

Social Impact Investment

Invest in India's
social
development

Join OIFC's
Social Impact
Investment
initiative.

Want to give back to India? Keen to support a social cause but not necessarily through philanthropy?

Indian Social Enterprises are rapidly employing innovative business solutions to solve social problems and create a social impact. Pioneer Indian social entrepreneurs offer opportunities to invest in India's development.

OIFC's **'Social Impact Investment'** initiative offers to connect Overseas Indians with Indian Social Enterprises and open impact investing opportunities for the Indian Diaspora.

OIFC will showcase, through a specially created platform, credible investible Social Enterprises in India for investments by Overseas Indians

- Invest in Social Enterprises in India in diverse sectors viz: livelihood, healthcare, agriculture, micro-finance, water & sanitation, etc.
- Potential investors will be able to select a social venture in the State/sector of their choice
- Invest in start-ups, growth stage ventures or mature ventures
- Credibility of social ventures assured through rigorous selection process followed by social entrepreneurship intermediaries & incubators partnering with OIFC

Connect with & contribute to Indian start-ups, entrepreneurs & MSMEs

Advanced talents of Indian origin make a significant contribution to knowledge economies of foreign countries, as faculty and researchers in academia, research institutions and industry through development of qualified human resources; mentoring and supporting entrepreneurs/start-ups; and development of cutting-edge technologies.

Although some of them are engaged with India, there is no structured and sustainable mechanism to engage them for capacity development in their respective fields.

The Prime Minister's call for 'Start-up India, Stand up India' has given a new boost giving rise to exhilarating opportunities for investors, collaborators and mentors wanting to engage with Indian start-ups. With over 3,000 start-ups, India is the third largest and fastest growing start-up ecosystem globally.

OIFC is launching 'Startup Connect' to facilitate a connect between High Knowledge Net worth Overseas Indians and Indian Start-ups, Entrepreneurs and small & growing businesses to invest, mentor and find Technology partnerships.

Mentor, finance
and collaborate
with Indian
innovators &
start-ups
